Other Information:

YMCA Summer Day Camp Staff have the significant responsibility of developing a positive, welcoming and nurturing atmosphere to ensure that student participants are safe, secure, having fun and developing skills that will help them become successful adults and citizens. Located at various locations throughout Weber County, the YMCA Summer Day Camps engage a diverse population of students in grades preK-9th in a wide range of academic, social and physical enriching activities that focus on the YMCA core values of caring, honesty, respect, and responsibility. Daily activities include outside exploration, physical movement time, snacks and meals, activity/club time, field trips, team building and leadership. Activities/clubs topics include environmental education, STEM, sports, games, health education, literature and math, multicultural awareness, arts and crafts, and more. Additionally, students are able to interact with positive role models through dedicated staff members that truly take an interest in them and their development. Summer Day Camp staff are expected to not just supervise campers, but be high-energy, engaging, and capable of creating a safe and welcoming environment.

Application Process:
