

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

The YMCA is committed to ensuring that all families have access to the high quality programming the Y is known for. Through the support of donors, we are proud to be able to work with families to make sure that cost is not a barrier to participation. We offer an **Optional Reduced Cost** rate for anyone that needs it, no additional paperwork required. Additional income-based financial assistance may also be available. Interested families are encouraged to talk with our staff or download a financial assistance application form. All youth receive the same program experience regardless of participation in the financial assistance program. To learn more please feel free to contact us at 801-839-3388.
