So, it’s your week of camp! Here’s what you need to know:

We are SO excited for your first week of Summer Camp! We are sure that you will have plenty of questions as we navigate the new normal of what camp will look like this year. Below is some important information that you should go over before your child’s first day!

We have been working on a comprehensive Summer Operating Manual in response to COVID-19. Please click here to see all of the YMCA of Northern Utah’s responses in light of the pandemic.

Your camp is at the Park City Community Church at 4501 UT-224, Park City, Utah. Camp runs from 8:30 AM to 4:30 PM, unless you have registered for extended hours. Your onsite coordinator is Ethan Dunn.

- **DROP OFF:** Parents please plan on giving yourself some time to escort your child to the health screening at the check-in table. All children must be signed in by a parent/guardian.

- **HEALTH SCREENING:** Before entering the program each staff and child must pass a health screening.
  - What does that look like? A simple temperature check and a few questions regarding any sudden changes in your child’s health, or contact with anyone suspected or confirmed cases of COVID-19. If the answer is yes for any of the questions, campers or staff may not be able to attend camp.
  - If your camper has a fever greater than 100.4, they will not be allowed to attend camp that day.

- **MASKS**
  - Campers are asked to bring a clean mask each day to camp.
  - We will provide a mask for campers who would like one but do not have access to one.
  - We will provide a small brown paper bag that students can keep their mask in when not wearing it.
  - When social distancing is not possible, campers will be asked to wear a mask.
- Campers are highly encouraged to wear a mask from the time they exit their vehicles through the check in process, until the camper arrives in their classroom.

- Parents are highly encouraged to wear a mask from the time they exit their vehicles through the check in process in the morning, as well as the pickup process in the afternoon.

- **PICK UP:** Pick up will occur in the same area as drop off. Please exercise safe social distancing as you wait outside for your child. **Important pick-up information:** it will be required to show ID every time you pick up your child. We understand we will quickly get to know your faces, but for the safety of all families we will ask for ID every time. Campers that are not signed-out after 4:30PM (or 5PM for extended hours) incur a $2 per minute fee.

- **REQUIRED FORMS**
  - The following forms are new and are required to be signed for every camper. Please download and print these, keeping a copy handy for your personal records. Copies will provided at check in for your convenience, but you are encouraged to read the documents before arriving to Site.
  - **Admissions Agreement Form** (Will be completed each Monday or first day of attendance for the week)
  - **Liability Release Form**

- **DAILY ITEMS TO BRING:** Backpack, spray sunscreen and a water bottle with your child's name on it. Please help us save the environment by sending a reusable water bottle. You may also bring a **mask** for you child with their name visible on the outside. **Please have your camper wear close-toed shoes to camp every day-you may pack sandals for pool days.**

- **ITEMS NOT ALLOWED:** Please leave ALL electronic devices and toys at home. We are not responsible for lost or stolen items. Your child will be active and busy at camp!

- **FOOD:** Please pack a lunch and snack for your camper every day!

- **SPECIAL NEEDS:** If you feel like there are any special considerations that you feel we need to be aware of regarding your child (medications, allergies, behavioral problems, illness, etc.) please let our summer staff know on your first day.

- **FIELD TRIPS/SWIMMING:** A tactic of pandemic response is to reduce interpersonal contacts to limit potential exposure to coronavirus. Field trips *apart from swimming* will be canceled for the month of June and re-evaluated as the summer progresses. Campers will be taken to the South Summit Aquatic and Fitness Center for swimming on Tuesday and Wednesday mornings. Please remember their swimming suit and towels. On field trip days we do try to leave PCCC as soon after check-in ends as possible. If you're going to be late, please reach out...
to Ethan Dunn directly (435) 659-5179.

- **GROUND RULES:** Our goal to ensure that each child has an enjoyable and fulfilling experience as a participant in our YMCA program! We will always emphasize positive ways to deal with difficult situations bullying, dangerous plans and violence will not be tolerated.

- **LASTLY:** During your week of summer camp there will be a survey link sent to your email. The survey link provided will give us feedback and allow us to provide the best summer camp experience. We are looking forward to meeting you!

- **READY. SET. SUMMER!** We'll see you next week!
